2:45P–3:45P	<p>Assessing the Implications of COVID-19 on Crime, Justice and Public Safety Operations, and Criminal History Data Quality The outbreak of COVID-19 in early 2020 forced government and business shutdowns, social and physical isolation, and massive shifts in how people lived and worked. The global COVID pandemic also had a profound impact on crime and criminal justice agency operations, including the collection of fingerprints and the operations of criminal history records repositories. This workshop will explore findings and recommendations from the <i>National Commission on COVID-19 and Criminal Justice</i> and assess the enduring impact of COVID-19 on crime, justice and public safety operations, and criminal history data quality throughout the nation.</p> <p>Mr. Thomas Abt Director, National Commission on COVID-19 Senior Fellow, Council on Criminal Justice</p> <p>Speaker TBD Title Organization</p>
3:45P–4:00P	BREAK – Take this opportunity to meet with our sponsors
4:00P–5:00P	<p>Clean Slate Research Initiatives Recent years have seen growing recognition of the enduring impact of collateral consequences for having a criminal record. In response, an expanding number of states are adopting Clean Slate and other records relief legislation to expand eligibility and reduce the costs and burdens associated with petitioning for criminal records clearance using an automated process. This workshop highlights the status of records clearance efforts around the nation and identifies common challenges and emerging best practices.</p> <p>Facilitator: Mr. David J. Roberts Executive Director, SEARCH</p> <p>Speaker TBD Title Organization</p>
